

The Explorer's Sheet
The Northern Mountains

- Explore about Tethys Sea covering points like, when it existed, why it doesn't exist anymore, what caused the change, what kind of marine life existed in it. Google some impactful images to add to your article.
- Collect information and images about the famous Strawberry Festival of Meghalaya covering the points- when and where, how is it celebrated, why is it celebrated, which all varieties of strawberries are grown there.
- Make a PPT/ chapter / brochure on any one of the state described in the chapter. Cover the points-

The location

The area

The capital

The Chief Minister

The state logo

The flora and fauna

The wildlife

The language and clothes

The festivals and food

Handicrafts and tourist spots

Unleash the writer in you

If you think you have written/ collected interesting information on the topics above and wish to share with others, send your unique article in word document along with the relevant images (in jpeg format) to contactpracticenlearn@gmail.com. We will be happy to publish it. Do remember to share your name, age, email ID, school name and a picture along with your work.
