

The Explorer's Sheet
The Southern Plateaus and Islands

- Select any one state or island from the chapter and design a newspaper. Remember to give your newspaper a name and logo. Give proper headings to the articles and the news items. Use relevant images for colour and graphics.
- Draw a colourful sketch of any of the dance forms discussed in the chapter.
- Check out the internet and try and cook any one of the dish from any of the state. Do take help of an elder.

Unleash the writer in you

If you think you have written/ collected interesting information on the topics above and wish to share with others, send your unique article in word document along with the relevant images (in jpeg format) to contactpracticenlearn@gmail.com. We will be happy to publish it. Do remember to share your name, age, email ID, school name and a picture along with your work.
