**Our Industries**

**Write short answers: -**

Why there are no shipbuilding industries in northern and central India?

Ref to the map given in the chapter. Why there is no industry in Kashmir and north-east India? Do they have industries? If yes, what kind of industries?

Apart from accessibility to the raw material, terrain also plays an important role. Why and how? Share examples of industries where a particular type of terrain is required.

Name the raw material(s) required by the following industries.

Industry	Raw material required
Cotton textile	
Silk textile	
Woollen textile	
Iron and steel	
Jute mill	
Sugar mill	
Railway equipment	
Automobile	
Electronic Goods	
Shipbuilding	
Aircraft Manufacturing
