

Our Forests
The Explorer's Sheet

Explore and know-

Find out why rhinoceroses are killed? What unique solution wildlife officers have found to save the rhinos from the poachers?

Make a brochure/ PPT on any one national park covering the following information-

Location

Area covered

Animals protected

Make a list of all the wildlife sanctuaries and parks in your country. Mark them on the map of your country.

Unleash the writer in you

If you think you have written/ collected interesting information on the topics above and wish to share with others, send your unique article in word document along with the relevant images (in jpeg format) to contactpracticenlearn@gmail.com. We will be happy to publish it. Do remember to share your name, age, email ID, school name and a picture along with your work.
