Exercise 5: The Adjective Game

Work with a partner. Take turns picking an object in the classroom/ room and using three different adjectives to describe it. Your partner should try to guess what you're describing.

Check Your Understanding. Answer these questions:

1. What is an adjective?

2. Why do we use adjectives in our writing?

3. Where can we find adjectives in a sentence?

4. Can you think of five adjectives to describe your favorite animal?

Fun Activity: The Adjective Detective

Keep an "Adjective Journal" for one week. Each day, write down five new adjectives you hear or read. At the end of the week, use your collection of adjectives to write a short story!
