Exercise 7: Read the Passage and Identify Adjectives

Instructions: Read the passage below and find the adjectives. Write the adjectives under the correct column (Adjective of Number, Quality, or Quantity).

Passage:

Last weekend, my family and I went to a beautiful park. It was a sunny day, and the sky was filled with fluffy white clouds. We saw many colorful flowers, including bright red roses, soft pink tulips, and vibrant yellow daffodils. A few tall trees provided shade, and we sat under one to enjoy our delicious picnic. There was a small pond nearby with clear water. Some ducks were swimming in the pond, and my little brother fed them with a handful of breadcrumbs.

As we walked further, we noticed an old man sitting on a wooden bench. He was reading an interesting book and seemed very peaceful. Nearby, a group of energetic children played on the green grass. The park also had a large playground with fun swings and a huge slide. My sister and I climbed to the top of the slide and enjoyed the amazing view of the park.

Before leaving, we bought two ice creams from a friendly vendor. The weather was perfect, and we had a wonderful time. It was one of the best days we've had in a long time!
