

## Soil Erosion & Conservation

### The Explorer's Sheet

1. What do you think your society should do to increase the green cover?
2. Make a list of at least 10 environment activists in the world.
3. Plastic is one of the biggest pollutants on earth. What are you doing to reduce the use of plastic? What do you think the concerned authorities or FMCG companies should do to reduce the use of plastic.

**Do you know-** A well-known toothpaste company decided to remove the carton from its toothpaste tubes to save paper. Though this was done on test basis for a very small section of customers.

4. What alternatives of plastic are available in the market? Write a para about atleast 5 such products. Also write your opinion about what can be done to make the new alternatives popular.
