E for Environment

- Be an Eco Warrior. Start a drive to segregate the waste at home and school. You just need to put different boxes for different kind of waste. Find out the color codes.
- Make a composting bin for the kitchen waste. You can make it with broken pots or buckets. It can fit in a balcony or terrace. Plants will love your homemade food.
- Carry a cloth bags, school bags when going out for shopping. Say no to plastic bags or even paper bags.
- Make a list of easy alternatives to many things that need to be brought from store. Like you can cover your school books with Amazon/ Myntra brown paper bags.
